

PASTOR! Yes, YOU!!!

The Church of God in Michigan (MICO) is partnering with **YOU!** We are “equipping local congregations to extend the Kingdom of God.” To help Ministry Leaders extend the Kingdom beyond the walls of their local church buildings, “**360**” is resourcing them with fresh ideas, insightful instruction, and catalytic conversations. Our 360 Ministry Leadership Conference theme for 2022, is, “**EMPOWERED MINISTRY: Leading in the Holy Spirit.**” So relevant for this season of the Church’s ministry in difficult times. “Not by might, but by my Spirit, says the Lord!”

On **Saturday, March 19th, 2022**, there’ll be **30+** sessions with experienced presenters who’ll offer valuable insight, training, & resources for helping your ministry leaders to be empowered by the Holy Spirit as they lead in their various ministries. From 8:30 a.m.–3:30 p.m., we’re offering **12** equipping tracks. Each session will be focused on some aspect of being empowered as a leader to minister more effectively and through the Holy Spirit. This is still so very much about disciples becoming disciple makers, by becoming more effective in the Kingdom of God.

We are expecting an energetic and exciting opening rally @ 9:15 a.m.! We will be acknowledging each congregation in attendance, so come and represent your church family!
