

Don't Go It Alone!

Anyone working in KidMin
– those who have the call to love
on and share the Good News with
our churches littlest of ones –
has felt alone at least at some point
in their ministry.

We are here to come along side
you and talk with you about
Children's Ministry in the church.
We don't want you to go it alone.

CHILDREN'S MINISTRY TASK FORCE

Equipping Church of God congregations by providing resources for an active and thriving children's ministry!

We are here to pray for you, support you, brainstorm with you and help in any way we can!

We desire to partner with and support congregations around Michigan as they strive to provide great opportunities and experiences for children as they grow and grapple with what it means to be a follower of Jesus!

We are excited about what God has in store for the children in Michigan!

Children Matter To God!

“The Bible makes it quite clear that children are uniquely special to God...and in His eyes, they represent a multitude of attributes and possibilities.”

~George Barna

- ◆ Children are a gift from God. He grants children to adults as a special sign of His love to us.
- ◆ To have a faithful relationship with God, children must be taught to obey His commands.
- ◆ Children are so valuable to God that He commands us to protect them!

Children Matter To Us Too!

Children's Ministry Connection is here to partner with anyone and everyone who ministers to kids and sees the importance of current, relevant and exciting ministries for kids.

*Points and quotes are taken from George Barna's *Transforming Children Into Spiritual Champions*
