

Spirit of America Tour

August 24-31 , 2019

Join us for an exciting and educational journey, as we explore our nation's capital, visit Gettysburg and see a spectacular musical about the life of Jesus!

- During our visit to DC, we will experience the National Mall, a tree-lined expanse of open space which stretches from the Capitol to the Lincoln Memorial. We will spend time at the Smithsonian Institute—the world's largest museum and research complex, with nearly 140 million objects to discover. We also plan to arrange a visit to the newly opened Bible Museum, the U.S. Capitol and possibly a tour of the White House.
 - Bible Museum – A truly enriching and learning experience that will show how the Bible has been created and passed down through history starting with Moses. Explore 7 floors of exhibits that tell the story of the Bible and its impact.
- While we are focusing on Washington DC itself, we will visit other historic sites in the area:
- Sight and Sound Theater in Lancaster, “where the Bible comes to life” and we plan to see the production of “Jesus”. The panoramic stage covers the front and both sides of the auditorium and over 50 cast members will tell the story of Jesus in authentic costume and settings.
 - Hershey... Visit the home of Reeses, Hershey chocolate, and so much more that's good to eat. Learn about the life of Milton Hershey who not only impacted the world with his candy but also through his philanthropic activity that continues on today.
 - Gettysburg's historic battlefield; where the Union victory ended General Robert E. Lee's ambitious invasion of the North, a turning point in the Civil War. Our guide will bring this all to life for us! You've learned about America's capital in textbooks, but there's nothing like seeing the real thing up close—when you visit Washington, DC, you will experience – our history, the power of government, amazing museums and monuments. We look forward to sharing this trip with you!
- Price : \$1199 double occupancy \$400 additional for single occupancy**
